Below is an example of how to use your Difference Card Mastercard®. Refer to your Employer Plan for specific amounts.

HOW TO SWIPE YOUR DIFFERENCE CARD

1. When visiting his doctor or a pharmacy, Danny gives them his Insurance Card first.

2. The provider or pharmacist will advise the costs.

3. For prescriptions Danny can swipe his Difference Card for the full cost. For medical services, once charged, Danny may use his Difference Card for payment.

4. The amount requested is now satisfied using The Difference Card. It's that easy!

If Danny receives a substantiation request, he will just want to submit his carrier **explanation of benefits** into The Difference Card and link to the transaction needing attention.
